Arjuna was an absolute pleasure to work with. He was always prompt to reply to us and easy to get along with. For the wedding, both he and his assistant Carl arrived early, looking very professional. Our wedding was captured so beautifully! Both my husband and I are quiet and a little shy, but we were very comfortable with them. From the start, Arjuna recommended getting an album, and I was skeptical, but my husband wanted it. I was so wrong! The album is exquisite! Beautifully crafted, bound in leather, with crystal clear images. It is a real storybook of our day. We truly cannot say enough good things about our experience.
